ABOUT PATBOARD

We believe in visual and physical
At PATboard we believe in working agile. Our products are designed out of our passion for scrum and lean project management. We think physical and visual tools improve interaction and communication within a team.

Creating visual tools is in our DNA. We see it as our mission to make tools to help teams perform better and have more fun doing it. Our products offer the perfect tools for lean and agile project management.

OUR CUSTOMERS

Helping our customers
We are driven to help our customers improve their agile and scrum project management. That mission and our focus on product quality is why our customers love our products.

SCRUM BOARD - FULL TOOL SET
FOLD
Fold the edge of each card so you can grab and stack more easily.

COLUMN cards
Used to define the columns on your board.

PATIlanes
With our adjustable lanes you divide your board into columns or rows.

STORYcards
STORYcards are a bit longer than TASKcards so there is enough space to write down your user stories.

TASKcards
The standard task card. This card is used for all your tasks on the board.

STACK
Stack all the unused cards at the bottom of your board.

TEAM & EMOTicons
Icons can be used to assign cards to members in your team and emojis to give characteristics to a task.

IMPEDIMENT cards
With this small card you can mark your impediments.

Write
The ink of our markers will dry in a few seconds. Don't use whiteboard or permanent markers!

Wash
Hold the cards under a running tap and be amazed how easily the ink will wash off with water.

Share
Discover with your team and stakeholders how simple communication can become.
